THE RESULTS ARE IN ...

Kids, Cans & Ca\$h — We recycled almost 200 lbs. of aluminum cans and raised about \$80 for our school. The Grades K-2 Recycle Winner was Haley Mann and the Grades 3-5 Winner was Lauren Kuhnly! Several students brought in lots of cans! Thank you for participating!

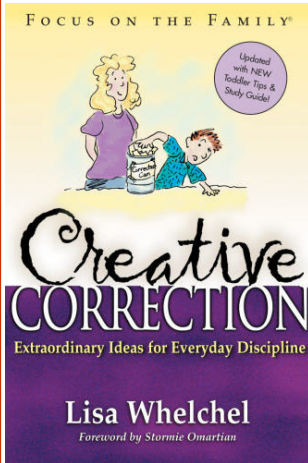

Fruit Sale—Over 2000 boxes sold! Three elementary students earned Top Sellers and a Chick-Fil-A lunch with Mrs. Haire: Colin Davis, Harley Scott and Sarah Faith Amos. Congratulations! Thank you to everyone who worked hard to raise needed funds for transportation and technology needs.

Operation Christmas Child — The Elementary School had a 98% participation rate in bringing Christmas shoebox gifts for children around the world! Thank you for this incredible outpouring of compassion. What a tremendous blessing this will be to many very needy children and what a blessing to our students to develop the practice of caring and giving.

Throughout the course of the year, each grade level is involved in an outreach effort to bring assistance to others and share the gospel with parts of our community — whether a family, an organization or the precious senior citizens of our community. Be aware of the project your child is involved in and make it a meaningful experience for them. From time to time you will find updates on our web site about projects that have already taken place. We appreciate the many ways our parents and families give, share and support these projects so that they are effective in meeting needs and demonstrating the love of Christ.
