

Cougar Booster Club

High Point Christian Academy has a growing, competitive athletic program with many dedicated coaches, talented athletes, and generous parents. We look forward to another successful year with over **250** student athletes participating on one or more of our **31** teams, covering **12** sports. What an exciting place to be!

The Booster Club is an active fundraising parent organization that provides athletic support for HPCA. Your financial support is greatly appreciated but just as important is the time you can share in our volunteer activities. This is a wonderful way to have some fun, meet new HPCA families, and cheer on our teams. If interested, please contact one of the following people, or email the athletic office.

Booster Club Leadership:

Curt Scarborough

Rick Penland

Randy Barnett

Robin Moseley
